

# Liberia Center for Outcomes Research in Mental Health LICORMH

---

**Ezekiel Fayiah Hallie, MFCPharm, MSc, PharmD, B. Pharm, BSc**

Position: Member

---

Dr. Ezekiel Fayiah Hallie was born in Fembadu Town, Foya District, Lofa County, Liberia. Ezekiel started his health service career as a medical laboratory technician at the Phebe Hospital Training Program in Bong County. Ezekiel matriculated at the University of Liberia and graduated with the Bachelor of Science (Hons.) in Zoology. He later enrolled at the School of Pharmacy and obtained a Bachelor of Pharmacy (B. Pharm) (Hons.) Degree. Ezekiel earned a scholarship which landed him to the University of Aberdeen, Scotland, United Kingdom and was awarded MSc in Clinical Pharmacology on November 29, 2013. To improve and upgrade the School of Pharmacy, Dr. Hallie enrolled at the University of Benin, Federal Republic of Nigeria and graduated with the Doctor of Pharmacy (PharmD) Degree on February 21, 2020 as a precondition to implement the Doctor of Pharmacy Curriculum at the University of Liberia.

Employed into the University of Liberia as the Assistant Professor of Pharmacology and Toxicology in January 2014. In 2018, Dr. Ezekiel F. Hallie was appointed dean of the School of Pharmacy.

The following duties are some of his term of reference:

- Guidance and leadership supervision of the faculty of the School of Pharmacy, and implementing the new revised academic curriculum
- Promotion and oversight of faculty research and publications
- Keeping records of academic staff achievement and the general conduct of programs within the School of Pharmacy
- Submitting periodic and annual reports to the Vice President of Health Sciences for onward transmission to the Vice President for Academic Affairs on operations of the School
- Determining the use of textbooks, journals, bulletins, periodicals and other professional instructional materials in collaboration with the faculty of the School of Pharmacy and the College of medicine
